Education

BSc. Accounting and Finance	IBA – Institute of Business Administration	2019 - 2023
A Levels	St. Patrick's High School	2016 - 2018
O Levels	St. Patrick's High School	2014 - 2016

Professional Experience

Finance Executive – Herbion International Inc

April 2024 – October 2025, Karachi

- Developed complex and visually appealing dashboards in Power BI, utilizing **DAX queries** for advanced calculations and measures (e.g., Banks Reconciliation, KIPs evaluation, profitability ratios), enhancing financial analysis and reporting.
- Managed relationships with data modeling, including creating links between tables, optimizing data structures, and implementing calculated columns and measures to improve the efficiency and prepare business reports.
- Integrated and transformed data from multiple sources (e.g., **SAP, 1C, Excel**) into Power BI, ensuring a **unified view** of the company's financial and operational data through **Power Query** and **M language** transformations.
- Automated **data refresh processes** and implemented **scheduled data flows** in Power BI Service to ensure reports are up-to-date and available for real-time decision-making.
- Introduced fully automated Financial statements (Group Profit and Loss and Balance Sheet) in BI, also evaluated potential business outcomes and created forecasts providing the leadership team with strategic insights for decision-making.

Project Manager (Contract), Sales Capability and Distribution Strategy – Tapal Tea LLC Nov 2023- March 2024, Karachi

- Successfully managed the development and implementation of "Work With and Work Review App," a mobile application catering to Territory Sales Managers (TSMs), Zonal Sales Managers (ZSMs), and Regional Sales Managers (RSMs) facilitating efficient shop capturing and trade visits.
- Fostering collaboration between the RSM, ZSM and TSE and capturing market intelligence insights for competitor analysis (Lipton, Vital, Brooke Bond Supreme)
- Executed the creation of comprehensive brand availability reports, evaluating MSL stock levels and out-of-stock situations to optimize brand distribution across cities and towns nationwide and conducted demand analysis using interactive PowerBi and Excel Dashboards
- Developed TSE and ZSM performance summary reports, pinpointing areas for improvement in skills and capabilities related to app usage, distribution, and sales knowledge.
- Collaborated with external stakeholders, the Chief Sales Officer and Regional Sales Managers, to formulate strategies based on analytical reports, identifying opportunities for distribution expansion and strategic enhancement.
- Oversaw and maintained the National Distributor Assistance Plan (DAP) for 400 distributors across 10 regions and 37 zones, sustaining ROIs between 2-3.6% to prevent financial losses.

Reports / Projects

- Brand Availability Report, Tapal Tea** – Analyzed brand availability data, pinpointing stock shortages in 15% of cities. Proposed targeted increases, improving distribution efficiency by 12% and contributing to a 7% increase in market presence, translating to a 5% boost in revenue opportunities for Tapal.
- Market Intelligence and TSE/ZSM Performance Report** - Conducted market intelligence analysis, extracting insights that informed strategic decisions, resulting in a 10% improvement in competitive positioning against major rivals like Lipton, Vital.
- Financial Reporting and Data Analytics in Power BI** - Utilized DAX queries, data modeling, and Power Query to develop Power BI reports, including Balance Sheet, Cash Flow Statements, Open Deliveries Sales Report, Receivables, and Vendor Aging Report.. Improved reporting efficiency by 30% and enhanced cash flows visibility.
